A Skilled Nursing Home and Rehab Center

Sugar Creek Nursing and Rehab is a privately-owned, comprehensive skilled nursing facility offering a full spectrum of care including rehabilitation, short-term skilled care, long-term care and assisted living. We provide 24 hour medical care and support services to our Residents

Through community resource collaboration and support to our families, we ensure our Residents achieve their highest level of independence. Here at Sugar Creek Nursing and Rehab, you will find the comforts of home. The environment is clean, caring and friendly. We encourage you to decorate just like you would at home. And family, friends and pets are welcome to visit anytime.

Rehabilitation Program

Sugar Creek offers the full spectrum of treatment for injuries and other conditions. This includes rehabilitation from hip and knee fractures, dislocations, or replacements, spine and shoulder surgeries, and other orthopedic conditions.

Our therapists are also trained and experienced in treating strokes, open heart and by-pass surgeries, and surgical wound care. Sugar Creek also offers restorative programs to further assist our residents to achieve success in making the transition from daily intensive therapy to requiring less assistance.

Returning to Home

Sugar Creek Nursing and Rehab prides itself on success stories that always include one's ability to reclaim their independence or return to home. Our therapists encourage participation in care plans to support and encourage individuals to reach their full potential. Our aggressive discharge planning ensures an individual has all the adaptive equipment, home modifications, and training to provide a smooth transition back home.
